

Culbertson

The John Deere Experience

AGRICULTURE AND CONSTRUCTION
TECHNOLOGY CAREER AWARENESS

October 1st @ C&B Operation

The Montana Chamber Foundation is hosting this proven community focused workforce development event that illustrates how industry and education partners can support career technical education (CTE). These hands-on experiences demonstrate the latest technology and equipment, encourage workforce readiness skills and prepare our students for careers in the 21st century. October 1st will be an experienced based day for students to interact, hands-on with John Deere equipment. During the experiences the day of the event, a brief presentation on career exploration through the lens of RDO Equipment Co. and C&B Operations will highlight the days experiences.

COMMUNITY OPEN-HOUSE
BUSINESS AND EDUCATION LEADER CONNECTION

October 1st @ 4:00-6:00PM, C&B Operations

Community leaders are invited to play with the machinery themselves, and to experience what the local students learned. Then the Montana Chamber will host a discussion on industry needs and programs that are creating new career opportunities in Montana.
