BOZEMAN, MT**

Join us, and 240 women from across the Treasure State, for the Montana Chamber of Commerce's 3rd Annual **Blazing Trails: Montana Women in Business Summit**, March 4-6, 2026 in downtown Bozeman.

Get ready to pioneer a new era of empowerment, inspiration, and connection! During the two and a half days of programming, we will hear stories from women from all industries as we dive deep into leadership development, financial well-being, venture capital/entrepreneurship, civic engagement, advocacy, and more. This Summit is about community, so come connect with fellow trailblazers, industry leaders, and policymakers to grown your statewide network.

We will come together to celebrate **International Women's Day (IWD-March 8)** on Friday, March 6, uniting remarkable women from across the Treasure State and the globe for an unforgettable experience. IWD is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality. The theme for 2025 was **#AccelerateAction**. At the current rate of progress, it will take until 2158 to achieve full gender parity, according to the World Economic Forum. The theme for 2026 has not yet been announced.
